Sustainable Seaweed Harvest
April 21st 2019

Ever wanted to learn about harvesting edible seaweeds? Want to know what types grow here on the Lost Coast, and how to harvest them sustainably? This class is for you!

Bring: water, snacks, windbreaker, sun gear, Grippy Footwear that can get wet, scissors, sacks, Fishing license.

Meet at Mattole Beach Trailhead at 6:40 A.M. Sharp!

Please contact Flora@mattole.org if you plan to attend.
