

Are you motivated to learn, work hard, and make a valuable contribution to our environment and community?

Nick's Interns

A program providing work opportunities for high school students

--NOW ACCEPTING APPLICATIONS FOR SUMMER 2019--
--DUE BY MARCH 22--

“Nick’s Interns provides you with life skills that you can use for a long time but it’s also one of the most fun things you’ll ever do” Francesca Genolio

As a paid intern, you will take part in a range of restoration and land management projects such as native grass seed collection, invasive species removal, trail construction, campground maintenance, steelhead dive surveys, salmon habitat enhancement and much more!

Starting wage \$12/hr, with opportunity to earn up to a \$200 bonus!

Sessions

BLM: Session One - June 24 – July 11
BLM: Session Two – July 15 - August 1
MRC: June / July (Dates T.B.D.)
